

d's Wicked Cider Co. varietals are premium, hand crafted hard ciders using only the finest apples from Pacific Northwest US. Our attention to detail allows the unique character of each apple variety to guide our crafting, resulting in our sinfully delicious varietals. d's ciders are crisp with the freshness of just picked apples, not too sweet, not too tart, just playful layers of flavor that are just plain WICKED GOOD!

Cold-Pressed / Fresh Pressed Juice • Not from Concentrate • Naturally Fermented • Rough Filtered • No Colorants

d's Wicked Cider Co. Cranny Granny is made with freshly grown Granny Smith Apples from the Pacific Northwest and infused with fresh Cranberry Juice. Cranny Granny boasts an abundance of candied green apple, fresh cranberry aromatics, and finishes with a tart, fresh, finish.
