

d's Wicked Cider Co. varietals are premium, hand crafted hard ciders using only the finest apples from Pacific Northwest US. Our attention to detail allows the unique character of each apple variety to guide our crafting, resulting in our sinfully delicious varietals. d's ciders are crisp with the freshness of just picked apples, not too sweet, not too tart, just playful layers of flavor that are just plain WICKED GOOD!

Cold-Pressed / Fresh Pressed Juice • Not from Concentrate • Naturally Fermented • Rough Filtered • No Colorants

d's Wicked Cider Co. Chanilla is a hand crafted hard apple cider made with the freshest Pacific Northwest grown apples. Infused fresh cherry and Madagascar vanilla bean create this cider-gasmic™ new flavor. This cider has expressive notes of pie cherries and cream soda with a lush marshmallow finish.
